Re: Lower Jordan River Distribution System
Account No. 28-46

Dear Mr. Valdez:

Mr. & Mrs. David W. & Ruth R. Russak has informed our office you are now the owner of the water right associated with the water assessment Account No. 28-46 of the Lower Jordan River Distribution System. Mr. & Mrs. Russak were the previous owners. We are, therefore, sending the assessment notice to you.

The distribution system is regulated by the State Engineer under authority of Section 73-5-1, Utah Code Annotated, 1953, as amended to insure orderly distribution of water based on water rights. A budget is set and assessments are made each year to meet the expenses of the distribution system including the commissioner's salary. The budget and assessments are set by the water users at the annual distribution meeting with the State Engineer. If assessments are not paid by June 1st, a delinquent penalty of 10% is added.

If you have any questions, please call me at (801) 538-7431.

Sincerely,

John S. Larsen
Water Rights Specialist
